

Get the iGO Videos from iPad

1. Connect the iPad to your computer with the USB cable and open iTunes.

2. Select the iPad from the list on the left.
3. Then choose Apps from the menu at the top.
4. Scroll down the page to the "File Sharing" area.

5. Choose Wi-Viewer from the list.
(you may have to scroll down within the list to see it)
6. Select the video you wish to save.
7. Select "Save to..." and direct it to the location on your computer that you would like it saved to.
