

mBot Resources

If you purchased your mBot from SmartSchool Systems, please contact us and we will be happy to provide access to the materials we created to support mBot. The Educator Resources are designed specifically for classroom use.

Please email us: support@smartschoolsystems.com

Ask for mBot resources.

If you did not purchase from SmartSchool Systems:

The mBot is made by MakeBlock. There are resources available for the mBot on the MakeBlock site:
